Sir:

In response to the Advisory Action dated December 09, 2009, Applicant submits a Request for Continued Examination (RCE). Applicant respectfully requests that this RCE be made part of the official record in the above referenced application, and that the application be reinstated for prosecution.

During a brief telephonic interview conducted with applicant's representative on or around December 29, 2009, Examiner explained that response to the Advisory Action would require the filing of an RCE, or amendments and remarks indicating that any amendments considered would not require extensive further consideration or a new search in order to sustain Examiner's withdrawal of finality of the previous Office Action. To facilitate prosecution of the present application, applicant hereby files an RCE so that the amendments and remarks provided in the Amendment and Response filed by applicant on November 25, 2009 can be reviewed and considered in their entirety.

If there are any shortages, the Examiner is authorized to charge our Deposit Account Number 503616.

Respectfully submitted,

COURTNEY STANIFORD & GREGORY LLP
